Junior Team Manager – U9

Description of Role	Team managers are coordinators. Each junior team has a dedicated team manager who works alongside the team coach to ensure everything runs smoothly on match days.
Main Duties	Confirm and arrange team fixtures with Junior Fixtures Secretary. Selecting teams for forthcoming matches, with assistance from junior coaches. Notify players of selection. Co-ordinate transport details for away matches. Take responsibility for age group club kit.
Essential Skills, Knowledge and Experience	A good rapport with children and young people. Enthusiasm. Organisational skills.
Desired Skills, Knowledge and Experience	Use of the Internet and text messaging.
Qualifications / Skills Required	The role would suit someone with organisational abilities who wants to contribute to a team, but perhaps not in a coaching role. This role requires a CRB check.
Commitment Required	3-5 hours per match day from mid May to mid July. Approx 4-5 matches per season
Benefits to Self	A position of responsibility within the junior section. Feeling 'part of the club' and the ability to share in the team's successes. Enjoyment.
Benefits to Club	Increased participation in cricket by children and young people.
Support / Training	The Junior Coordinator will advise on custom and practice.
